### General Provisions

1. **The Company thru its authorized signatories and East West Bank**, hereby enter into the East West Internet Banking Agreement that allow the Bank's Client to avail the services offered by the East West Internet Banking facility subject to the provisions described below. The Company agrees to abide by all existing provisions, regulations and procedures governing the operation of this Agreement.
2. **Bank Account/s.** The Company shall be allowed to avail of this facility for as long as it has existing Savings, Demand and Term Deposit accounts with any branch of the Bank.
3. **Operational & Control Procedures.** In order to avail of this facility, the Company shall submit this application form to any branch of the Bank together with Board Resolution authorizing selected personnel to access designated company accounts with the Bank.

### Access to East West Internet Banking Facility

1. East West Bank shall provide authorized Company Users instructions on how to avail of this facility. The Bank shall nominate a USER ID and Password in order for them to access all the enrolled Savings, Demand and Term Deposit accounts through the Internet.
2. Authorized Users can access the enrolled accounts anytime of the day, seven days a week. However, East West Internet Banking facility may not be available at certain times wherein systems maintenance is going on. At these times, online transactions, such as fund transfer will not be processed. All transactions made on Saturdays, Sundays and Holidays will be posted and treated as transactions of the next banking day.
3. Only my Savings, Demand and Term Deposit accounts owned and under the name of the Company specifically enrolled shall be provided with this facility.

### User ID and Password Usage

1. Unique and valid User ID and password shall be kept private and secret. Authorized Users shall not disclose to anyone its assigned Password. He/she shall assume the full responsibility for all Internet banking transactions made in the account/s. The Bank shall conclusively presume that the Company authorizes all the transactions through the use of authorized User ID and Password.
2. Authorized Users shall change the password periodically through the Internet Banking Change Password option, as they deem necessary especially in cases where the Password has been compromised.
3. The Company agrees that the Bank shall act on the instructions received via this facility, based on its own discretion and that the Bank reasonably believes that all these instructions emanated from the Company through its authorized users. The Bank shall not be liable for any actions taken based on the instructions received through the use of the Company's authorized user ID and Password.
